

Disclosure of Transfers of Value 2021

Collaboration of Healthcare Professionals (HCPs) and Healthcare Organisations (HCOs) with Pharmaceutical Companies

Status: 1.7.2022, source: PHARMIG survey

The numbers include data from 74 pharmaceutical companies that disclose transfers of value to HCPs, HCOs or POs in 2021. Another 26 did not provide transfers of value according to article 9 and/or 10 PHARMIG Code of Conduct. 15 companies did not reply to us on time.
